**Logistics/Helpful Tips**  
**Chairs' Conference Call**  
**Dial-in Number: 866-587-9779**

1. Cell phones are discouraged. Please use landline phone, if possible.
2. Dial the toll free phone number provided above.  
*Note: A voice prompt lets you know that you have joined the conference. When you hear music playing, you are on hold (i.e., waiting in the "lounge"). You will remain there until the Host joins the conference and welcomes you.*
3. All phones will be muted and you will not be able to be heard until you receive a voice prompt that the "floor mode is open."  
*Note: questions will be held until the end of each agenda item.*
4. **Press \* # to request your turn to speak.** The system will take your request on a first-come, first-served basis.  
*Note: you will not be able to be heard until you receive the voice prompt "**your microphone is on.**" Please be patient, as you may have to wait a few moments.*
5. Once you receive a voice prompt that your microphone is on, please **state your name and the campus or college you represent** for the benefit of participants and begin speaking.
6. **If you wish to cancel your request to speak before you have been heard, press \* # again,** and your request will be taken out of the queue.
